We know there are hardships involved with the Stay-at-Home order in Illinois and getting groceries has been made harder now with the closing of the IGA here in town. If you need help getting your groceries, please reach out to the church or call an elder. We are here ready and willing to help.

Received a call from Marcia telling me about an article in a newspaper about IHSA showing support for their senior students-athletes, as well as all the healthcare workers, first responders & all other essential workers on the frontlines of the pandemic. (#LightsForTheFight) Turn on your porch light every Friday from 8:00-8:20 pm until this is over. I did this last Friday from 8:20-8:40 pm per a Facebook post and the school and park also turned on the lights on the sports fields. Let's show our unity and support.

Continue to tune in to Facebook (Casey First Christian Church) or our website (caseyfcc.org) for the Sunday message with Pastor Jaret Alvis. We are so blessed to have the opportunity to hear God's word with today's technology and appreciate Pastor Jaret bringing us the message.

Thank you seems so insufficient to express the church's gratitude for your continued support of the church with your tithes and offerings. They are appreciated.

The property committee has taken advantage of this time when our church building is not being used to have the pews cleaned, carpets cleaned and the other floors cleaned and waxed. They look really nice. The cleaning service did a great job.
