The **Baby Bottle Blessings** fundraiser for Choices Pregnancy & Health Center is normally from Mother's Day to Father's Day. This fundraiser brought in more than \$55,000 last year. Normally we have baby bottles for you to collect your change. Be in prayer for the services they provide and give thought as to whether you can help support their campaign.

Thank you! for the calls, cards and food during Gene's hospitalization and at the time of his passing. It really helped to have friends and a church family that care. You were indeed a blessing.

God Bless You All, Roberta Decker
