From the pastor's desk...

I will pour out my spirit upon everyone; your sons and your daughters will prophesy, your old will dream dreams, and your young will see visions. Joel 2:28

Imagine you are driving down the road and the sun is shining, the music is playing, and everyone is singing along and we can clearly see where we're going. Then we turn a corner and come upon some fog, we can't really see the road, the music gets turned down and we stop our singing, the driving becomes more intense, but we turn another corner and the fog is clearing, the path folds out in front of us again, we turn the music back on and everyone is relieved and singing with joy.

The journey we take as a church together is like that. At times things are great, we know where we are going, there is music, joy and laughter in the air. But at other times it seems like we cannot see the path before us, we are afraid we are going to veer off the road, we turn quiet and everything becomes more labored. But then as soon as we can see again where we are going... when we can see the path before us, then light and life returns again.

We have been on an intentional journey to clear the fog off our path and get a clear vision of where it is God is leading us. For that you have come together, talked around tables, filled out questionnaires, created a covenant to live by, dreamed dreams and now the Steering Committee has formed a vision of your dreams. The next step of our journey together is coming into focus. To share the vision of your dreams we are gathering for a breakfast, hosted by the Steering Committee on **July 8 at 8:30 am**. We need you to join us to learn what our dreams look like and to help bring the path even more into focus, so that soon we will be driving by bright sunlight again, with the music turned up and all of us singing!

Blessings,
Jacqueline
