CORONA VIRUS PROJECT

Last week God gave me the vision of collecting personal hygiene products to help people in our community that have been affected by the corona virus. Those that have lost jobs or have been quarantined incurring loss of wages or anyone in need. I brought this to the board and it was approved. What we would like is monetary donations from the congregation to fund this. We will then purchase the items and set it up similar to the Christmas shop. We will allow only a few people in at a time, we will have bags and allow them to pick up a few items. We will have them enter one door and exit at another door. We are here to serve and help others. I hope you will help us with this vision. We are planning this event for Sept. 19th, 9am to 11am. Thank you in advance for your help. Kathy Hayes
